ABOUT ME

My name is Nahum Hijaz, I have Bachelor's degree in civil engineering from the Santa Catarina State University (Brazil) and a Master's degree in Building Constructions from the Polytechnic Institute of Leiria (Portugal).

For the past 4 years, I have been working in customer service roles, mainly with international clients. My experience has helped me develop a diverse skill set, including adaptability, commitment to deadlines, time management, effective communication, and analytical thinking.
